### Community Education

PROD helps people in communities throughout the Gorge, learn how to care for their pets. Either through formal classroom sessions, casual discussion forums, or through our outreach efforts, PROD's goal is to help people become more responsible pet owners.

Here are some of the learning opportunities PROD offers. Please contact us if you'd like a PROD volunteer to speak to your group or organization. Call 541-387-DOGS (3647).

### DogTalks

DogTalks offers adults a forum to discuss dog-related topics with local animal professionals. DogTalks helps people better understand, control, care for, and enjoy their canine companions.

### How Dogs Learn

Cascade Pet Camp in Hood River offers a 2-hour class titled "How Dogs Learn." This is a great introduction to the topic of dog behavior. Whether you're just starting to build a relationship with your dog, or have had a dog in your household for years, this class is well worth your time.

The cost is \$20 per family, but if you need some financial assistance or an added incentive to attend, PROD will issue you a coupon for 50% off.

For a discount coupon, call PROD at 541-387-DOGS (3647).

For more information about the class, please call Jenni Lott at Cascade Pet Camp, 541-354-CAMP (2267).

## **Operation Outreach**

Operation Outreach has been designed and implemented to inform and educate our community about PROD's ability to financially assist in spaying and neutering their pet companions.

A variety of outreach projects are currently in development. We are seeking bi-lingual volunteers to help us!

For more information about this program, please call PROD at 541-387-DOGS (3647), or contact Maxine at [tothemax@gorge.net](mailto:tothemax@gorge.net).
